

2009 Mini User Group  
Are you a member?  
[www.miniusergroup.com](http://www.miniusergroup.com)

It's that time of the year, when the annual Mini-User Group dues drive begins. Deadline for the 2009 dues is February 15, 2009. The dues are voluntary, but we request your support of the group and the benefits the group provides. Joining offers members the chance to share ideas and best practices, get questions answered and collaborate on the issues facing your dealership regarding the Minitrac system. These dues will help the User committee cover its expenses for the year. Payment of the dues, entitles you to a discounted registration fee when attending our annual meeting.

**Dues: \$95.00 if paid by February 28, 2009**  
**Dues after February 28, 2009 are \$120.00**
